7. Read the passage carefully and answer the questions that follow :

$$4 \times 1 = 4$$

Student life is very important in one's life. This time can also be called the golden age because the future of a person depends on it.

It is during this time that a person's character is formed. A child does not have much understanding about the ways of the world.

Student life is a time when there is no burden of human suffering.

There is no burden on him and he enjoys his life to the fullest. That is why it is called the best and the golden age in a person's life.

Questions :

- a) Why is student life important ?
- b) Why is student life called 'the golden age' ?
- c) What does a person enjoy during student life ?
- d) How does he enjoy life to the fullest ?

OR

Write a précis of the following passage and give a suitable title : 4

The use of artificial intelligence is growing in various industries as AI systems are able to quickly and accurately analyze large amounts of data, identify patterns and trends, and make predictions. As these systems continue to evolve, they are likely to have a significant impact on many industries, leading to increased efficiency, cost savings and improved outcome for consumers.
